Philip asks Robbie to look after the shop for him while he goes out to train for the bike race – which results in Sophie suffering after an accident.

Anest doesn't welcome Mick's visit to the Tŷ Pizza as it could drag Jason in to Barry's dodgy business.

Kay is put in her place by Iestyn – who thinks she is a terrible landlord – and receives another blow when she hears that Ken intends on leaving the village.

On return from a romantic trip to Manchester with Dani, Barry receives some bad news and he is not at all happy about it.

Elen has the day to herself and is starting to re-think her attitude towards Llŷr.
