Crynodeb Rownd a Rownd W13 Summary 25-31 Mawrth/March

Mae'r pentref cyfan yn poeni am John a'r diffyg newyddion yn gyrru pawb i boeni bod y ddamwain yn un ddifrifol iawn. Mae gofid Sian a Rhys yn cynyddu wrth iddyn nhw dreulio amser yn yr ysbty, a phan ddaw newid yn ei gyflwr gwelwn rym cariad y teulu clos hwn.

Wrth i sefyllfa John ddatblygu mae poen meddwl Efan yn gwaethygu ac mae'n cael trafferth ymdopi.

Mae 'na sioc i Efan pan mae'n deffro yn y bore ac yn gweld dau aelod o'r heddlu yn agosau at y tŷ, ac mae'r pwysau cynyddol mae o'n ei deimlo yn dechrau cael effaith arno. Tydi pethau ddim haws iddo pan mae'n gorfol mynd i garej Rhys i gasglu ei gar.

Mae Rhys yntau'n cael sioc heddiw hefyd ond mae'r un mae o'n ei phrofi yn dipyn mwy pleserus ac er bod Trystan wedi mynd ymhell dros ben llestri, mae'n ymddangos bod perthynas y ddau'n mynd i fynd o nerth i nerth.

The whole village is worried about John and the lack of news drives everyone to worry that the accident is a very serious one. Sian and Rhys' grief increases as they spend time in hospital, and when his condition changes we see the power of love in this close-knit family.

As John's situation develops, Efan's mental pain worsens and he struggles to cope.

There's a shock for Efan when he wakes up in the morning and sees two police approaching the house, and the increasing pressure he feels starts to have an effect on him. Things don't get easier for him when he has to go to Rhys' garage to collect his car.

Rhys also gets a shock today but an altogether more enjoyable one and although Trystan has gone way overboard, it seems that their relationship is going to go from strength to strength.
