Dani is struggling to look after Wyn on her own, but luckily Uncle Jason has come to the decision that he should play an important role in his nephew's life.

Whilst trying to please Tammy, Iestyn comes up with an idea that creates an enormous problem for Mel and Kelvin.

Sophie isn't best pleased when she learns that Mair is no longer the football team captain... and worse still, that it was Mathew's idea for her to step down!

Iestyn manages to find a suitable place to live for Tammy - but will Mel be willing to agree?

After accusing Robbie and Owain of playing a nasty trick on him, Mathew finds himself having to apologise to Vince, but as his doubts and paranoia increase, his next move creates an argument with Jason, which, in turn, leaves Dani with no option but to intervene.
