
Contributor Callout

As it's not possible to offer airtime for each production to attract contributors, the [Take Part](#) page (S4C.Cymru/TakePart) exists on our website to showcase opportunities for people to star on the service. The page can be pointed at via email, press and social media.

Production companies are welcome to fill out a [promotion application](#) for the page.

All boxes on the form must be completed and a good quality image attached in the correct size. Please check your application for correctness, we will not publish any incomplete or inaccurate applications. As our website is bilingual copy should be prepared in both Welsh and English.

Please send your promotional application in plenty of time to be uploaded, allowing a reasonable period for people to apply (ideally at least 14 days before the closing date).

For any queries, please contact the [Web Coordinator](#).
