The supplemental agreement will increase the Licence Fee; or
- 4.20.2 S4C agrees that the overspend has arisen for reasons beyond the Producer's control in which case S4C at its own discretion may agree to contribute to the overspend either on the basis of a loan to the Producer, or on the basis that S4C's additional contribution is recouped from the Net Proceeds in first position.

Clause 5 – Licence, Holdback, Underlying Rights and Exploitation

- 5.1 Where specified in the Editorial and Business Brief, S4C grants the Producer a revocable non-exclusive licence during the Licence Period to access and use the Platform Accounts and/or CMS for the purposes of fulfilling its obligations under the Licence only. *Producer's Licence*

The Producer shall notify S4C in writing of such terms and S4C shall have a period of ten (10) Working Days in which to confirm in writing whether it will match such terms. If S4C confirms its intention to match such terms the Producer will not proceed with the third party to make that version of the Sequel but it shall be free to proceed with any other language versions.
- 5.14 S4C and the Producer will agree and support each other in the development and implementation of a strategy for the production and/or commission and distribution of products and materials which are ancillary to the S4C Shortform Content and/or which add to the viewers' experience of watching the S4C Shortform Content. 5.14.7 if S4C (acting reasonably) does not accept that S4C's plans would cut across the Producer's commercial plans or if S4C (acting reasonably) does not accept that the Producer's commercial plans are realistic and likely to happen, then the parties will attempt to resolve the matter in accordance with Clause 13.
